IMPROVE RESPONSE TIME ON ROUGH TERRAIN

WITH CLUB CAR'S NEW CARRYALL® 1700 ALL-WHEEL DRIVE AMBULANCE. Improve Response Time on Rough Terrain with Club Car's New Carryall 1700 All-wheel Drive Ambulance.

If your organization needs to respond to health emergencies in tight spaces on unimproved terrain, you'll need a powerful and highly maneuverable all-wheel drive ambulance. Club Car's new Carryall 1700 ambulance is the answer. The vehicle comes fully equipped with a bundle of accessories based on buying patterns of customers who bought vehicles for this application.

A FULLY EQUIPPED AND COST-EFFECTIVE SOLUTION

The Carryall 1700 Ambulance seats three and carries an adult-size stretcher. It provides everything you need for emergency response, including:

- A** Custom ambulance deck weldment with:
 - 1** Medical attendant seat
 - 2** Locking storage box for medical equipment
 - 3** Fold-down rails for patient area
 - 4** A hand-held cot style stretcher
- B** Taillights, brake lights and horn
- C** Large black canopy
- D** Reverse buzzer (not shown)

- E** Star of Life decal
- F** The vehicle also accommodates a Stryker hydraulic lift and an on-road ambulance stretcher (not shown)

Electric Models Only:

- G** Extended-range battery system
- H** Single-point watering system for easy battery maintenance

For other configurations, ask your local Authorized Club Car Dealer about our Custom Solutions Department.

RELIABLE, RUGGED AND POWERFUL Purpose-built for work from the ground up on the renowned Carryall 1700 work utility vehicle platform, the ambulance features a rustproof, corrosion-

resistant aluminum frame for added durability and longer life.

The vehicle's IntelliTrak™ automatic all-wheel drive system senses the ground it's on and shifts as needed. This virtually eliminates driver training and prevents delays.

Its four-link semi-independent rear suspension system combines independent suspension performance with solid-axle strength. The solid-axle design is the world standard for Jeeps, Land Rovers and pickups.

Available with a 20.1-hp-rated (15 kW) Kawasaki gasoline or 20-hp-rated (15 kW) Kubota diesel engine. The vehicle comes standard with dark gray bodies, gray seats and a black canopy. Optional colors are available.
