GET CONNECTED WITH YOUR ONWARD

Drive your Onward Club Car on the neighborhood course* with Club Car Connect. Monitor available travel range, get accurate pin placement and see the status of your battery charge all through your Connect screen. No need for other handheld devices like range finders. Club Car Connect provides accurate pin placement so you can measure distance and range right from your vehicle. And, with built-in Bluetooth Speakers, you can enjoy your personal music collection anywhere your cart takes you.

**See local dealer for golf course compatibility*
